

Experience the difference **Original** makes!

The **Original** Dickens Carolers, Denver's premiere Victorian caroling company is looking forward to entertaining at your holiday event. Be sure to ask for the **Original** Dickens Carolers.

Why Original?

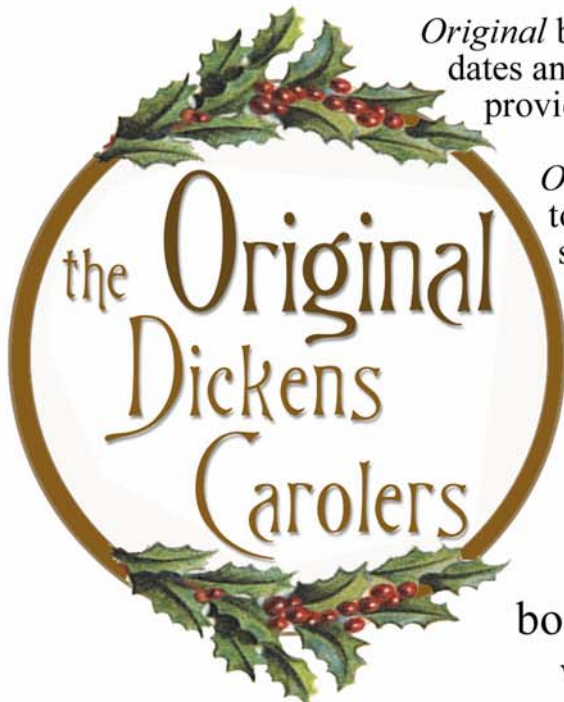

Original because we were the first major caroling company to be formed in the Rocky Mountain Region in 1986.

Original because we offer a departure from the usual and ordinary carolers due to our unique, lively, engaging style and fully memorized presentation.

Original because we exclusively hire cream of the crop professional entertainers for our roster of performers. Featured at many fine shopping malls, this lively, elite group is regularly showcased at the Cherry Creek Shopping Center Tree Lighting ceremony. The ODC have entertained at numerous corporate events, private parties, country clubs and hotels throughout the region. Individually they have performed at the Denver Center, the Arvada Center, Country Dinner Playhouse, Regional theatre and on Broadway.

Original because we have enough singers to fill many dates and times for performance, and can even provide you with an entire choir.

Original because we tailor our performance to your specific needs. We encourage you to schedule these exciting entertainers early, since our calendar fills quickly!

Why not treat yourself to the best carolers around?
